

## Newsletter 16<sup>th</sup> January 2026

Dear Rumboldswyke families,

Happy Friday!

As I sit here in my office this morning, I can hear the beautiful strumming from the guitar lesson next door, see collaborative learning in action across Years 5 and 6, and sense a lot of excitement and fun coming from the hall where pupils are enjoying the *Midnight in the Toyshop* workshop. It's been a wonderful reminder of the creativity, curiosity and joy that fill our school each day.

### **RSHE Consultation – Important Information for Parents and Carers**

The government has introduced new statutory guidance for Relationships, Sex and Health Education (RSHE), which all schools are required to follow from **1 September 2026**.

As part of this process, we will be consulting with parents and carers on our RSHE policy and curriculum. Your views are important to us, and we encourage you to take the time to review the information we are sharing.

Please look out for:

- A consultation letter
- Our draft RSHE policy
- Relevant DfE guidance

These documents are attached to this newsletter and outline what will be taught, how content is delivered, and how it supports pupils' wellbeing, safety and development in an age-appropriate way.

Details of how to share your feedback, along with consultation timelines, are included in the letter. Thank you in advance for your support and engagement with this important area of school life.

### **Donations needed – Boxes, Boxes, Boxes!**

Our Taskmaster after school club is looking for donations of any kind of boxes for upcoming challenges. Big or small, cardboard or sturdy packaging boxes – we'll happily put them to good use!

If you're able to donate, please bring boxes into school and hand them to the office staff. Thank you for supporting our creative (and highly inventive!) Taskmaster fun.

### **Year 6 Maths Sessions**

To help support Year 6 children with their maths learning in preparation for the SATS in the summer term, Mr Dickin will be running a maths session on Friday mornings from 8am and will continue to run this until SATS week.

We hope that you are able to support us by encouraging your children to come along to these sessions.

### **Class Trips – Red Class & Green Class**

Please could we remind parents to keep an eye on emails sent from school regarding upcoming trips.

It is important that we are able to confirm the number of children attending each trip as soon as possible, and no later than the date stated in the email.

To support this, please ensure that all required consents and payments are completed promptly.

If consent is not received by the deadline, unfortunately your child will be unable to take part in the trip.

Thank you for your cooperation and support.

### **Meal Orders**

Just a reminder when ordering your child's school lunch that there is a 3 week deadline for all orders.

Parents will also need to ensure they have topped up their child's meal account with the correct amount and made sure they 'checkout' their basket to ensure any orders have been processed fully.

With warmest wishes,  
Lisa Harris

A reminder of our after-school clubs running next term. Please see the previous email sent to parents for full details regarding clubs and how to sign up.

#### Spring Term 2026
