

Rumboldswyke Newsletter 22nd September 2020

'Love life, love learning'

office@rumboldswyke.w-sussex.sch.uk 01243 782368

Headteacher: Mrs Debbie Allen

Dear Parent and Carers,

There has been such a lot of lovely learning happening in school since the start of the new term, we thought we would share a few pictures of some of the things we have been doing.

Now that the children have started to settle back into school, the teachers will be sending home a short video/ booklet next week to explain to you some of the things happening in class and to let you know how you can help your child at home. This will be coming home via Tapestry (Year R and 1) or Seesaw (Year 2), the online learning platforms we were using during lockdown. Year R and 1, Mrs Toy will be sending out more information about this tomorrow. We will also send home new log in codes for parents via email, in case you have not been set up or lost your logins. For the Year 2 class especially, our aim will be to send home learning via the Seesaw app. Please let us know if you have problems accessing the apps as we can help!

Thank you all for your continued support with our safety measures at drop off and pick up. We appreciate this hugely.

Flue Vaccination forms

Children will be bringing home with them consent forms for the Influenza Nasal Spray Vaccination 2020 this week. Please complete these and return within 7 days of receipt giving your consent to the vaccination programme.

Before School Dance Club

The club starts tomorrow morning at 8am. Children will need to wear leggings/shorts, a tee shirt and trainers. Please remember to send them with their school uniform to change into after the session.

Contact, Health & Permission Forms

Please return completed forms to the office as soon as possible.

Thank you
