Proposal

- Rumboldswyke would become an all-through primary school.
- Rumboldswyke's PAN (Pupil Admission Number for each year group) would be reduced from 40 to 18.
- The change would be gradual and only involve students already in the school. Students presently in Year 2 would be allowed to continue into Year 3. We believe that there are enough students in the area to sustain a school primary without adversely affecting neighbouring schools.
- We would be aiming to have a full primary school by September 2024.

The closing date is 16th December 2020.

Transfer to Junior School for Year 2 Parents only

Alongside this consultation we are required to send our Year 2 parents a Transfer to Junior School letter from the Pupil Admissions Team.

Please do come in and speak to us here if you have any questions about this process.

Children in Need Friday 13th November

We would love the children to come to school in non-uniform for the day on Friday.

Why not make it a Spotty or Pyjama Day or just non-uniform.

Please make sure your child wears suitable shoes for playtime!

We invite you to make a donation for the privilege of your child not wearing school uniform!

Please bring any money for Children in Need in an envelope on the day.

Thank you

Phone Consultations
