

Visit to St George's Church

We had a lovely walk yesterday morning to the church, where we looked at some of the features in the building and learned a bit more about advent and the Christmas story. The sun shone for our short journey there and back and we were all made to feel very welcome.

Christmas has arrived!

In last week's newsletter, we put out a plea for help in finding us a Christmas tree and less than 24 hours later, thanks the wonderful King family and Wickes in Chichester, we have a tree! All of the children enjoyed decorating it last week and it is brightening up our hall.

Free School Meals holiday voucher scheme

We have been informed that all of our families who are entitled to Free School Meals (under the Universal Credit scheme) will be able to claim £30 of food vouchers on Monday 21st of December from Edenred.

Please make sure the office has your correct email details, as vouchers will be issued electronically through the email addresses we have for you.

If you have any queries regarding this, do chat to Mrs Flint who will be able to help.

Dates for your Diaries

Mrs Goff

For those of you who had children in the school last year, you will no doubt remember the lovely Mrs Goff. We are delighted to be able to tell you that Mrs Goff has just completed all of her treatment and is feeling much better. She was even allowed to come in for a visit on Monday after school. It was wonderful to see her looking so well. She is hoping that as soon as all the restrictions are lifted, she will be able to come back into school and support us in a voluntary capacity. Such a lovely lady!

Seesaw and Tapestry

If you haven't connected to your child's account yet- do speak to the teachers and they can help get you started!

Sharing of children's books

The teachers are very aware that this has been a particularly tricky term for parents as we cannot have our usual 'open door' policy in place in school at the moment. They were delighted to speak to you all on the 'phone earlier in the term about your children's learning but felt that it would be wonderful if you could all see some of the amazing learning your children have achieved this year.

They will be doing this in two ways, firstly via Seesaw and Tapestry as usual and secondly by having some tables outside with children's work on. Your child's teacher will liaise with you about the time and day for this.

All we would ask is that the work books are not taken from the school site and that you only look at your own child's work which will be clearly labelled for you.

“Love life, love learning.”

Consultation closing on December 16th 2020.

Please respond if you haven't had time yet- thank you! Every voice from this school counts.

Thank you!

Thank you for all the ways in which you continue to support the school and your child's learning. We appreciate it!
