Dear Rumboldswyke families,

May I send our very best wishes to you all. We really value the updates so many of you are sending us to let us know how your children are engaging in their remote learning at home and updating us on the progress they are making. We do all marvel at the job you are doing which is why we are sending every one of our families a token of appreciation as recognition for what you are achieving during these challenging times.

Next week I am looking forward to the opportunity to meet with you all virtually. These meetings are so I can properly introduce myself and share some of our plans for the future. I would also like to start collecting your hopes and ideas for Rumboldswyke's next chapter. We are hoping that a member of the Bishop Luffa team will be able to join in with us too as we are working closely with them on school improvement.

It is great that so many of you have already signed up for these meetings. If you missed the email for signing up, please contact the office with the time which suits you.

EYFS / Year 1 meetings will take place on Tuesday 26<sup>th</sup> January at 1:30 and 3:30

Year 2 meetings will take place on Wednesday 27<sup>th</sup> January at 1:30 and 4pm

On Monday, a meeting code and instructions on how you can join will be emailed to you.

While we don't want to overload you with links/ information, I thought it may be useful for me to highlight some online stories, programs, activities you could choose to do each week if you find you want something else to do. Please do not feel under any pressure to do/ watch/ listen to these, they are purely there for you if you would like them.
