Dear Rumboldswyke families,

Today is the day we break up for half term so after today you have a break from home educating. The work packs that have been delivered are for the week beginning Monday 22<sup>nd</sup> February, so please do put them in a safe place and take a very well-earned rest.

All the staff would like to say a big thank you for helping your child access their home learning activities and for sharing your child's work with us. The children are producing some lovely work which I am really enjoying looking at. This is a testament to their hard work but also, I know, to the work that you are putting in behind the scenes as well. Thank you all.

I remain hopeful that the 8th March will be the date for a full re-opening. As soon as there are any announcements we will begin our plan for a return to school and I will, of course, keep you updated.

In the meantime, I hope that the February half term is a restful and happy family time for you and send you all my very best wishes.

I thought I'd end our newsletter with this beautiful photograph of a double rainbow that was shared by one of our lovely families.

**The rainbow: a symbol of hope**

Hope is being able to see that there is light despite all the darkness.

Best wishes
