Dear Rumboldswyke families,

How wonderful it has been to hear our classrooms, corridors and playground filled with excited chatter and giggles. The children have impressed me with how they have come back into school and how they have welcomed me as part of the Rumboldswyke family.

Get your parent voice heard!

As we begin to get back to some normality, we are keen to work with our families to build the Rumboldswyke community and share the vision for our school. This is an exciting opportunity for us to plan together. We aim to set up regular meetings where we can discuss ideas and plan for the future.

Please do join in with our first Parent's meeting on Thursday 18th March @ 1:30pm.

It will be no longer than 45 minutes and we would love for you to join in with us. The meetings are open to all and will take place via Zoom.

The invite for the meeting will be sent via email today.

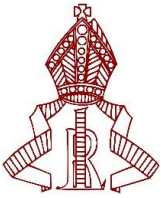

Agenda - Please give your opinion on...

- Website layout. What do you want to see on the website? Can you locate information easily? Would you like links to other resources?
- Communication. What works well? Even better if?
- Parent Teacher Association - Are you interested in becoming part of a group to help fundraise for/ improve the school?

If you cannot attend the meeting, it would be useful if you could complete this online survey.

Reception and Year 1 enjoyed their first Forest school session on Tuesday. They learnt about fire safety, the importance of listening and following instructions. The children had such a great time. They even got to roast marshmallows.

The children have been reflecting on what they value most in the world and how kindness, love and working together are so important to us as humans. They have created their own 'family crests' which represent them and show others what is important to them. In the coming weeks, we shall be learning about castles and how they evolved, thinking about which ones we can still see and which ones we cannot and why.

Best wishes, Lisa Harris
