Dear Rumboldswyke families,

Thanks to all our parents and carers who were able to attend the online meeting this afternoon. It was really lovely to hear your thoughts and ideas about communication between home and school.

If you could not attend the meeting, we would still like you to get involved. Please follow the link below and complete the online survey. By working together, we can make improvements to benefit the education and opportunities for all.

## *Polite request - for the safety of our children and families.*

Please ensure you do not park or drive on to the yellow-hatched area or park on the double yellow lines / Keep Clear sign in front of the school gates. Access to the school is required at all times by staff and emergency vehicles.

Please be considerate to our neighbours in Rumbolds Close at all times. Parking is available on the other roads around school or in the car park at St George's Church for drop off and collection.

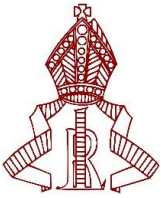

Thank you for co-operation in this matter.

## **Red Nose Day**

For your information - we **will not** be taking part in Red Nose day activities this year. We feel it would be unsettling for the children when we are re-establishing their routine in school.

We hope to take part in a charity fund-raising activity next term.

Are you looking for somewhere to take children during the Easter school holidays? As part of the Holiday Activities and Food Programme (HAF) in West Sussex this Easter, Education & Skills have partnered with our fabulous Library Service to present a new and EGG-citing blend of virtual and face to face opportunities.

Families can find stories and activities each Tuesday and Thursday of the Easter holidays online or via the Family Corner Facebook page. There are competitions and challenges based on some of our favourite stories about food and growing, as well as 'science in your kitchen' experiments to try at home. There are also some exciting recipes from our friends at UK Harvest.

Best wishes,  
Lisa Harris
