Dear Rumboldswyke families,

Welcome to the Summer term and what a lovely start it has been! The sun has been shining, the classrooms have been busy and the children from Blue class (Reception/Year 1 children) have enjoyed their first Forest School session of the term.

Over the Easter break there have been a few changes in school: the hall and the yellow classroom (currently used for group work) have been decorated and all doors have been painted in bright and vibrant colours. Each classroom door is different so the classes are named after their colour door.

Red class is currently Year 2

Blue class is currently Reception and Year 1.

We have an exciting addition of a huge television screen in the hall which can be used during worship, music, dance and P.E. sessions to enhance the children's learning.

Thank you to all parents/carers who have completed our online survey about the vision, values and the curriculum at Rumboldswyke. If you haven't had a chance yet, don't worry, there is still time to share your thoughts and ideas. As I said in the last newsletter, *we aim to make learning engaging, enriched, authentic and compassionate. Through a shared improvement process we would like to enable every member of our school family to feel involved. Therefore, we want to know what is most important for you and your child. We hope that by gathering your views and comments we will be able to create a curriculum that is the best fit for the needs of our community.*

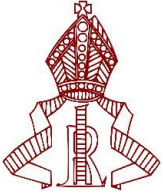

Please follow the link below to respond to our survey.

Thanks in advance for your time.

Best Wishes,

Lisa Harris

June

- 7th Inset Day – No school for children
- 25th Provisional School Fete 3pm.

July

- 7th Sports Afternoon 2pm
- 14th Walkabout / Open Morning

Value of the half term: **FRIENDSHIP**

Definition of a friend:

a person you like and enjoy being with

During our learning about Friendship we will work with the children to find answers to these questions:

- What is a friend?
- What makes a good friend?
- How can we be better friends to each other?
- What can we do to mend a broken friendship?

What is friendship?

- Good friends are kind and caring.
- Good friends listen to each other.
- Good friends give each other compliments and do not intentionally hurt each other's feelings.
- Good friends try to understand each other's moods and feeling.
- Good friends try to help each other solve problems.
- Good friends can disagree without hurting each other's feelings.
- Good friends respect each other.
- Good friends are trustworthy.

Friendship forever

Friendship isn't a big thing
it's a million little things.
