Dear Rumboldswyke families,

Wow, what a busy week. On Tuesday, Lindsey Parslow, chief executive of Business2Schools, came and officially declared our wonderful new library officially open. The children were very excited and keen to share their knowledge of fiction and non-fiction books with Andrea Regan, Bishop Luffa librarian.

Thanks to the tireless support of the Bishop Luffa Team and Business2Schools, we have created a wonderful new space where children can 'discover the magic of reading'.

Clubs

Thank you so much for completing the forms about the continuation of clubs. It was lovely to see how much you value the clubs we offer and that you wish for them to continue. We are working with Bishop Luffa to ensure our clubs continue as we feel they are an important part of social development and children's wellbeing. We are exploring ways we can provide high-quality clubs at affordable prices for September.

Parents' Meetings

We had such a great turn out for our parents' meetings. It was lovely to see so many of you and have the opportunity to share what we've been getting up to in school. If you were unable to make an appointment, please do arrange a time to come and chat with us.

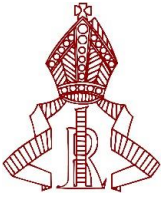

Changes Ahead

As the country moves further towards normality, we are pleased to announce that we will soon be inviting you to an outdoor mini-show of our work. Look out for further details coming soon.

We will also be arranging some exciting opportunities and visitors/ visits to help explore our next learning experience which will begin in June. Hopefully the warmth of the sunshine will arrive so can plan an exhilarating educational visit.

Best Wishes,

Lisa Harris
