

# Rumboldswyke School

28<sup>th</sup> June 2021

## Year 1 Curriculum Letter – Summer Term – Mrs Toy and Mrs Harris

This half term, our Learning Experience is called 'Minibeast Safari' and below you can see the learning that will be taking place in the different subjects:

### Literacy

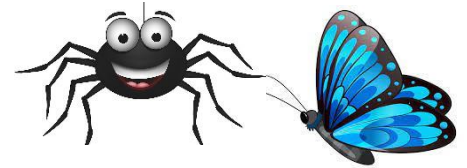

We will read, hear and discuss a range of minibeasts poems. We will also learn a poem to perform in front of our peers. Our written outcome will be to write a tongue twister using a given structure.

### Art

We will learn about the work of Henri Matisse before creating our own minibeast picture using his techniques.

## Minibeast Safari

### Science

We will learn about minibeasts and their habitats. After learning about how to collect them safely, we will use the school grounds to hunt for minibeasts.

### PSHE

We will hear the story of 'The Omnibombulator' by Dick King-Smith and explore themes presented for the beetle such as feelings of courage, bravery and resilience, before reflecting on our own skills and talents.

### Maths

#### Money:

Recognising coins;  
Recognising notes;  
Counting in coins.

#### Time:

Before and after - talk about events using today, yesterday and tomorrow;  
Dates, days and months;  
Telling the time to the hour;  
Telling the time to the half hour.

### Gentle reminders:

- ✓ PE happens on a Monday and Thursday: your child will need PE top, shorts and plimsoles/trainers on those days.

### Ways to help at home:

- ✓ Please continue to hear your child read regularly, every day, if possible.
- ✓ Practice using money with your child. Can they find ways to make 10p, 20p or 50p using different coins?
- ✓ Practice using telling the time for o'clock and half past times;
- ✓ Practice counting in 2's, 5's and 10's. This could be done whilst they are walking to school, laying the table for dinner, having a bath etc.

With very best wishes,  
Mrs Harris and Mrs Toy
