Dear Rumboldswyke families,

Over the weekend, three students from the University of Chichester worked their magic on our woodland area. As part of their final year project, they were tasked with developing the area to provide an environment which is sustainable and inviting for our woodland activity sessions. A huge thank you to Jamie, Millie, Sian who gave up their time to weed, paint, create, cut, chop, tidy the list is endless.

A huge thank you also to the Coop, the council and to Mr King who provided funding and sourced resources for the team.

If you have any redundant, kitchen utensils, bowls, plates, cups etc for our mud kitchen, that you are able to donate, we would be very grateful. Nothing sharp or made of china please.

Chichester Gala

Thank you to the children and volunteers who have signed up to walk the Gala procession as part of a Rumboldswyke troop. Unfortunately, many families have already planned their jubilee celebrations for the 4th June and are unable to join us. It is with great sadness that we will have to withdraw from the procession due to insufficient numbers.

Jubilee Party

Thank you for the jubilee decorations for our street party next Friday. If anyone has any additional flags for the children to wave, they would be greatly appreciated. We are praying for sunshine as we will be arranging a series of activities for the children to take part in. We will finish with our street party celebration under the canopy.

Don't forget to start thinking about your cupcake creation for our **Jubilee Bake Off**

Create and bake a cupcake fit for the Queen?

Ask the children to think about flavours and decoration to create something truly special for the platinum jubilee.

Send your cake in on Friday morning, the children will then get to eat their creation during the celebration in the afternoon, Friday 27th May.

Sports Day - Save the Date

This year we are pleased to say we can invite parents to Sports day. Yay! We are planning to hold Sports Day on Wednesday 22nd June at 1:15pm, weather dependent. For the budding athletes amongst you, start limbering up and get your trainers on, ready for the 2022 Rumboldswyke parents' race!
