# About Us

Rumboldswyke Church of England Primary School is a small primary school at the heart of Chichester. In October 2020, we became part of the Bishop Luffa Learning Partnership.

Over the past 4 years we have grown in size to become an all through primary. We have 126 on roll who are educated in four classes: YR/1, Y1/2, Y3/4, Y5/6. Each year group has a PAN of 18

As a school we believe that children learn best when they see purpose in their learning. We explore our curriculum through 'learning experiences'. Each learning experience is rooted in a key question and three or four Christian values: these values are also linked to our daily worship programme. This is designed so children are able to explore and recognise values in different contexts, past and present, reflecting on what they mean for us today.

We strongly believe that for children to be truly engaged with their learning they must have an achievable goal. Having an authentic outcome is a key motivating factor to produce incredible work which children are excited about and intrinsically motivated to produce.

We try to engage our community as much as possible, e.g. displaying work in galleries and inviting our neighbours to an exhibition gives a real sense of purpose.

Presenting our work to BLLP students, parents, carers and governors or setting up a 'real life' café gives a very clear message that we believe our children can do a professional job.

## 'Love life, love learning, love God's world'

Our vision is to *provide a nurturing, creative, Christian community where everyone will achieve their potential with confidence and joy, and embrace 'Life in all its fullness.'* John 10:10.

### Our school values:

**Love** - our core Christian value is central to every decision and action we take. We are all loved by God: in return we love life, love learning and love God's world. Three main Christian values underpin this: compassion, respect, hope.

**Compassion** – caring about someone else's feelings and trying our best to understand how others might be feeling, and offering to help that person

**Respect** – for others and our environment. We are all different and think differently but we are all special, and we celebrate our differences. We treat others as we would like to be treated.

**Hope** - we have high hopes and aspirations for our future, our school and community. We understand that faith gives us hope, and this hope brings confidence. We know that there is always a future whatever situation we are in, because God promised to never leave us, to always love us, and to help us in times of need.

The Staff and Governors of Rumboldswyke Church of England Primary School believe that children learn best when everyone who contributes to their education work together. Therefore, they believe that the School values are central to every decision made by our school community.
